TIRTIR
WATERISM LIP PLUMPER

The lip plumper makes the lips look plump and shiny with a moisture-plumping effect that fills them from within.

DIRECTIONS After applying a product containing color such as tint or lipstick, take an appropriate amount with the tip and spread over the lips. (*For a natural glossy lip look, apply on bare lips.)

- **Please read and understand the instructions and precautions before use.**

CAUTION For external use only. Keep out of reach of children. Discontinue use if signs of irritations or rashes appear.
