SBC Skincare's signature lightweight gel formula

A highly effective body gel to help tighten areas of concern, leaving skin visibly firmer and smoother. Formulated with active marine extracts of Red and Green Algae proven to help stimulate micro circulation to reduce the appearance of cellulite, while Aloe Vera soothes and hydrates.

Directions: Massage a small amount into localised areas of concern, such as thighs, hips and stomach. It is normal to experience an increase in skin temperature for a short time. For best results apply twice daily. Do not apply to broken skin. Wash hands thoroughly after use.
