

URANG Cactus Oasis Cream

71.6% Organic Cactus Extract

Description

A light-weight skin-strengthening hydrating solution cream with Organic Cactus Extract, Ceramide, and Squalane. Protects and strengthens the skin barrier, soothes and hydrates the skin, and maintains skin elasticity.

How to use

Apply to skin and gently massage to enhance absorption. Use after a toner or mist, or mix with 1-2 drops of URANG's oil serums.
