
ALPHA-H

DAWN TO DUSK
SPF 50+ SERUM

BROAD-SPECTRUM
VERY HIGH PROTECTION
SUNSCREEN LOTION
+ NIACINAMIDE

50mL

AUST L 407894

Skincare meets suncare with this lightweight silky SPF 50+ sunscreen. UVA and UVB filters offer broad-spectrum sun protection while Niacinamide, Vitamin E and Aloe Vera leave skin looking smooth and luminous from Dawn to Dusk.

Apply liberally and evenly to all unprotected areas of skin 20 minutes prior to exposure to the sun. Re-apply every 2 hours or more often when sweating and re-apply after swimming or towel drying.

WARNINGS: THIS BROAD-SPECTRUM SUNSCREEN CAN AID IN THE PREVENTION OF PREMATURE AGEING OF THE SKIN AND MAY REDUCE THE RISK OF SOME SKIN CANCERS. AVOID PROLONGED EXPOSURE TO THE SUN. WEAR PROTECTIVE CLOTHING, HAT AND EYEWEAR WHEN EXPOSED TO THE SUN. OVEREXPOSURE TO THE SUN IS A SERIOUS HEALTH THREAT. DO NOT USE ON BROKEN OR DAMAGED SKIN. FOR EXTERNAL USE ONLY. KEEP OUT OF REACH OF CHILDREN. KEEP BABIES AND YOUNG CHILDREN OUT OF DIRECT SUNLIGHT. KEEP OUT OF EYES AND STORE BELOW 30°C. IF RASH OCCURS, DISCONTINUE USE.

CONTAINS: PHENOXYETHANOL, BENZYL ALCOHOL, ETHYLHEXYLGLYCERIN.

ACTIVE INGREDIENTS: HOMOSALATE 100 mg/g, OCTYL SALICYLATE 50 mg/g, BUTYL METHOXYDIBENZOYLMETHANE 30 mg/g, BEMOTRIZINOL 30 mg/g, ETHYLHEXYL TRIAZONE 20 mg/g, PHENYLBENZIMIDAZOLE SULFONIC ACID 15 mg/g.

IT

SIERO SPF 50+ GIORNO
LOZIONE FILTRO SOLARE AD ALTISSIMA PROTEZIONE AD AMPIO SPETTRO
CON NIACINAMIDE

La cura della pelle incontra la protezione solare in questo leggerissimo e setoso filtro solare SPF 50+. I filtri UVA e UVB offrono la protezione solare ad ampio spettro mentre la Niacinamide, la Vitamina E e l'Aloe Vera consentono alla pelle di apparire morbida e luminosa dall'alba al tramonto.
Istruzioni per l'uso: applicare generosamente e uniformemente su tutte le zone scoperte 15-20 minuti prima dell'esposizione al sole. Riapplicare ogni 2 ore in caso di esposizione alla luce solare e dopo il nuoto, o dopo aver passato un asciugamano, dopo l'attività fisica o comunque se si è sudato molto.
Attenzione: questa protezione solare ad ampio spettro può contribuire a prevenire l'invecchiamento precoce della pelle e a ridurre il rischio di alcuni tumori della pelle. Evitare l'esposizione prolungata al sole. Quando ci si espone al sole, indossare indumenti, copricapi e occhiali protettivi. L'eccessiva esposizione al sole è una grave minaccia per la salute. Non usare sulla pelle lesionata o danneggiata. Solo per uso esterno. Tenere fuori dalla portata dei bambini. Tenere i neonati e i bambini piccoli lontano dalla luce diretta del sole. Evitare il contatto con gli occhi. Conservare a temperatura inferiore ai 30°c.
Nell'eventualità di eruzione cutanea, interrompere l'uso. Non contiene coloranti o profumi aggiunti.
Per noi l'ambiente è importante. Questo tubetto è composto per almeno il 35% di materiale riciclato dopo il consumo (PCR) ed è completamente riciclabile.
