ADVANCED SWISS SUNCARE
Made in Switzerland

GB For the face. Warning. Shake well before use. Close your eyes and pinch your lips together during application. Spray generously and evenly on the whole face in a horizontal movement, at a minimum of 15 cm distance. In case of contact with lips wipe the excess of product. In case of ocular discomfort, rinse immediately with water. Do not intentionally inhale. • Always apply sun protection generously, 15 to 30 minutes before sun exposure. Any less, radically reduces the protection effect. Even sun protection with high SPF does not grant full protection. Avoid midday sun. Reapply after extensive sweating, swimming or towel drying. Avoid contact with clothing as direct contact may stain. Avoid contact with the eyes.

DE Für das Gesicht. Achtung: Gut schütteln. Vor der Sonneneexposition ausreichend und gleichmässig auf dem ganzen Gesicht mit einer horizontalen Bewegung aus mindestens 15 cm Abstand aufsprühen. Mund und Augen während der Anwendung geschlossen halten, dabei die Lippen zusammenpressen. Bei Kontakt mit den Lippen das überschüssige Produkt von den Lippen entfernen. Bei Irritationen der Augenpartie diese sofort und gründlich mit Wasser ausspülen. Nicht absichtlich einatmen. • Sonnenschutz immer 15 bis 30 Minuten vor der Sonneneexposition grosszügig auftragen. Zu geringe aufgetragene Mengen reduzieren die Schutzleistung markant. Auch Sonnenschutzprodukte mit hohem Lichtschutzfaktor bieten keinen vollständigen Schutz. Intensive Mittagssonne meiden. Wiederholt auftragen, insbesondere nach intensivem Schwitzen, dem Aufenthalt im Wasser und Abtrocknen. Kontakt mit der Kleidung vermeiden – kann abtönen. Augenkontakt vermeiden.

IT Per il viso. Attenzione: Agitare bene. Spruzzare uniformemente una quantità sufficiente su tutto il viso con movimenti orizzontali da una distanza di almeno 15 cm prima di esporsi al sole. Chiudere bocca e occhi durante l'applicazione tenendo bene premute le labbra. In caso di contatto con le labbra, rimuovere il prodotto in eccesso. In caso di irritazione nella zona pericollare, sciacquare immediatamente e abbondantemente con acqua. Non inalare. • Applicare la protezione solare abbondantemente 15-30 minuti prima dell'esposizione al sole. Piccole quantità di prodotto riducono significativamente il livello di protezione. Anche le creme solari con indice di protezione molto alto non assicurano una protezione completa. Evitare il sole di mezzogiorno. Riapplicare il prodotto specialmente in caso di elevata traspirazione, bagno in mare o in piscina o dopo l'uso dell'asciugamano. Evitare il contatto con i vestiti: il prodotto potrebbe macchiare. Evitare il contatto con gli occhi.

Shake well before use.
Vor Gebrauch gut schütteln.
Agitare bene prima dell'utilizzo.

CAUTIONS – EXTREMELY FLAMMABLE AEROSOL. Pressurized container: may burst if heated. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C. Keep out of reach of children. Avoid spraying towards the eyes of or on irritated skin. Do not inhale intentionally. Do not use for any purpose other than that for which the product is intended. Do not use in a confined space.

SICHERHEITSHINWEISE – EXTREM ENTZÜNDBARES AEROSOL. Behälter stinkt unter Druck. Kann bei Erwärmung bersten. Von Hitze, heissen Oberflächen, Funken, offenen Flammen und anderen Zündquellen fernhalten. Nicht rauchen. Nicht gegen offene Flamme oder andere Zündquellen sprühen. Nicht durchstechen oder verbrennen, auch nicht nach Gebrauch. Vor Sonnenbestrahlung schützen. Nicht Temperaturen über 50°C aussetzen. Darf nicht in die Hände von Kindern gelangen. Nicht in die Augen oder auf irritierte Haut sprühen. Nicht absichtlich einatmen. Benutzung ausschliesslich gemäss Verwendungszweck. Nicht in einem schlecht belüfteten Raum benutzen. Nur entleerte Dosen in die **Wartstoffsammlung** geben.

AVVERTENZE – AEROSOL ESTREMAMENTE INFIAMMABILE. Recipiente sotto pressione: può scoppiare se riscaldato. Tenere lontano da fonti di calore, superfici calde, scintille, fiamme libere o altre fonti di accensione. Non fumare. Non vaporizzare su una fiamma libera o altra fonte di accensione. Non perforare né bruciare, neppure dopo l'uso. Proteggere dai raggi solari. Non esporre a temperature superiori a 50°C. Conservare fuori dalla portata dei bambini. Evitare di vaporizzare verso gli occhi o su pelle irritata e di inalare intenzionalmente. Non utilizzare per altri usi diversi da quelli a cui il prodotto è destinato. Non utilizzare in ambiente ristretto.

Ingredients: Butane, Aqua, Isobutane, Diethylhexyl Adipate, Diethylamino Hydroxybenzoyl Hexyl Benzoate, Bis-Ethylhexyloxyphenyl Methoxyphenyl Triazine, C12-15 Alkyl Benzoate, Ethylhexyl Salicylate, Undecane, Polyglyceryl-4 Diisostearate/Polyhydroxystearate/Sebacate, Glycerin, Acrylates/C12-22 Alkyl Methacrylate Copolymer, Caprylic/Capric Triglyceride, Diethylhexyl Butamido Triazone, Hydrogenated Polydecane, Hydrogenated Polyisobutylene, Tridecane, Dibutyl Adipate, Hydrogenated Poly (C6-14 Olefin), Polyglyceryl-3 Oleate, Ethylhexyl Triazone, Maltodextrin, Phenoxethanol, Diisostearyl Polyglyceryl-3 Dimethylolacrylate, Saccharide Isomerate, Arginine, Coco-Glucoside, Citric Acid, Ethylhexylglycerin, Disodium Lauryl Sulfosuccinate, Cassiaopinia Spinosa Fruit Pod Extract, Disodium EDTA, Sodium Citrate, Helianthus Annuus Sprout Extract, Tocopherol, Glycine Soja (Soybean) Oil, Helianthus Annuus Seed Oil.
