Pre-style cream
Straight to wavy
rich conditioning

Crème coiffante
Raides à ondulés
conditionnement riche

100 mL e
3.38 FL. OZ.

Our pre-style cream creates touchable, long-lasting hold, from wet, with a lightweight, natural feel.

Dyson-engineered
Triodetic™ technology, powered by chitosan, locks in flexible styles, strand by strand.

Chitosan

Our key ingredient is a complex macromolecule, derived from oyster mushrooms.

Serum texture

Rich formula transforms to a sheer serum in the hand, for even application.

Hair health

Conditioning agents, including castor seed and argan oils, reduce frizz and protect natural shine.

Precision applicator

Designed to dispense an exact amount every time, for controlled usage.
