COOLING PREP GEL
The fragrance-free, moisturizing gel-to-foam texture allows designated FOREO devices to glide smoothly over freshly shaved areas for flawless body hair removal prep and aftercare. The lightweight botanical formula soothes & cools irritated and dry skin, relieving redness and delivering deep, lasting hydration with no uncomfortable sticky residue. **Directions:** Apply an even layer of gel on freshly shaved areas until it quickly absorbs, then follow with designated FOREO device. **WARNINGS:** For external use only. Avoid contact with eyes. Discontinue use if rash or irritation occurs.

La formule sans parfum, hydratante et légère de cette lotion-gel permet aux appareils FOREO de glisser en douceur sur la peau pour apaiser la peau irritée par la lame du rasoir. Le rasage est parfait et la peau apaisée. Ce soin aux ingrédients naturels calme la peau, diminue les rougeurs et procure une hydratation durable et profonde sans fini gras ou collant. **Instructions:** Appliquez uniformément sur les zones rasées jusqu'à absorption, puis procédez au soin en utilisant votre appareil FOREO. **ATTENTION:** Pour usage externe seulement. Évitez le contact avec les yeux. Cesser d'utiliser le produit en cas d'apparition de rougeurs ou d'irritations.

La fórmula hidratante y sin fragancias de esta loción en gel permite que los dispositivos FOREO se deslicen suavemente sobre la piel para refrescar la piel irritada por el afeitado. Este tratamiento con ingredientes naturales calma la piel, reduce las rojeces y proporciona una hidratación profunda y duradera sin residuos pegajosos incómodos. **Instrucciones:** Aplica una capa uniforme de gel en las áreas recién afeitadas hasta que se absorba rápidamente. Luego sigue utilizando tu dispositivo FOREO. **Solo para uso externo.** **PRECAUCIÓN:** Evita el contacto con los ojos. Suspender la usoa si aparecen rojeces o irritación.
