**Fr Brosse lissante pour coiffer les cheveux - Plus facile • Plus rapide • Plus sûre**

DAFNI® power est la brosse lissante la plus innovante, avec une meilleure friction pour un contrôle ultime des cheveux. Simple et facile à utiliser, elle vous permet de lisser rapidement et en toute sécurité de grandes mèches de cheveux, des racines aux pointes, par des passages de brosse intuitifs. Elle est conçue pour des résultats parfaits pour tous les types et toutes les longueurs de cheveux, les laissant coiffés, brillants et sains. Simple d'utilisation : la brosse permet de coiffer plusieurs épaisseurs de cheveux en un seul passage. Résultat longue durée : la brosse intègre les technologies de soins capillaires les plus avancées. Plus sûre pour vos cheveux : la brosse maintient une température constante de 185°C (365°F), la température de coiffage optimale, pour un brosse efficace tout en protégeant vos cheveux contre les agressions indésirables. Anti-frisottis : les poils spéciaux de la brosse permettent d'éliminer les frisottis, pour un résultat soyeux et soigné. Utilisation plus sûre : les 3 niveaux de poils de la brosse recouvrent sa surface en céramique chauffée pour une protection optimale.

Choisissez votre look: découvrez comment profiter de résultats parfaits et arborer différentes coiffures grâce à la brosse DAFNI power, sur [www.dafnihair.com/dafni-power/](http://www.dafnihair.com/dafni-power/)

**HAIR SMOOTHING HOT BRUSH**

**EASIER • FASTER • SAFER**

DAFNI<sup>®</sup> power is the most innovative hair straightening brush, with extra friction for ultimate hair control. It's simple and easy to use, so you can quickly and safely smooth large sections of hair from the roots to the tips in intuitive brush strokes. It is designed for perfect results for all hair types and lengths, leaving your hair looking styled, shiny, and healthy.

**Easy to use** - smoothes multiple layers of hair in a single brush stroke for faster results.

**Long lasting result** - incorporates the most advanced hair care technologies for long lasting results.

**Safer for your hair** - keeps a constant 185°C (365°F), the optimal hair styling temperature for effective styling while protecting your hair from unnecessary damage.

**Anti-frizz** - unique bristles that eliminate frizz, achieving silky and smooth results.

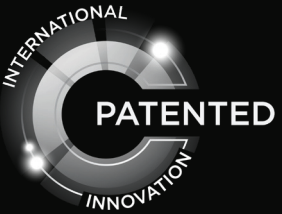

**Safer usage** - 2 layers of bristles cover the heated ceramic surface to better protect you from burns and provide easy and safe usage.

**HAIR SMOOTHING HOT BRUSH**

**EASIER • FASTER • SAFER**

**HAIR SMOOTHING HOT BRUSH**

**EASIER • FASTER • SAFER**

**HOW TO USE**

- Use on dry, brushed hair
- Turn on the brush and wait until it indicates it is ready
- Take a relatively large section of hair
- Make sure the hair gets deep into the inner area of the brush
- Brush slow enough for your hair to enjoy the heat
- Linger for a second at the tips to close the hair cuticles
- Repeat
