RECYCLABLE TUBE

80ml / 2.7 fl.oz

Our toothpaste has been specially formulated with oral care professionals to give an optimum, all-round clean: helping strengthen enamel, protect gums, remove plaque and gently restore natural whiteness. Suitable for sensitive teeth.

This tube, unlike many in the world, is made from fully recyclable HDPE.

Visit ordolife.com/ for more information on our tubes and recycling.
Directions: Brush twice daily using a pea-sized amount of toothpaste. Minimise swallowing and spit out. Preferably, do not rinse.
