

"Who wouldn't want
beautiful skin, all day,
everyday?"

Abi

skinSense
by Abi Cleeve

This powerful eye
concentrate contains 3%
iPeptide™, an ingredient
known for its ability to
smooth the appearance of
deep-set expression lines,
which in combination with
SkinSense's signature
anti-ageing ingredients,
targets the signs of ageing
both long and short term.
Skin elasticity is improved
and the appearance of
dark circles is reduced
thanks to increased
hydration and volume.
Dermatologically tested.

Application: Gently pat
into the skin around the eye
area using your ring finger.

Caution: Not for internal
use. Use only as directed
and avoid contact with
eyes. Keep out of reach
of children. For optimum,
long-term skin health wear
a broad spectrum SPF daily.

Lamellar technology

The revolutionary lamellar
structure of SkinSense keeps
the powerful, anti-ageing
actives working for you
for longer. Now you can
have beautiful skin, all day,
everyday.

ADVANCED
Lifting Eye
Concentrate

long-lasting lamellar
technology

A powerful eye concentrate designed to visibly reduce the appearance of both fine lines and deeper-set expression lines, whilst helping to brighten dark circles for a lifted appearance. Dermatologically tested.

Application: Gently pat into the skin around the eye area using your ring finger.

Caution: Not for internal use. Use only as directed. Avoid contact with eyes. Keep out of reach of children. For optimum, long-term skin health wear a broad spectrum SPF daily.
