NATURALLY SOURCED EPSON SPA SALTS
 Sea Magik pure Epsom salts take their name from the rich mineral waters of Epsom, UK. The powerful combination of Magnesium and Sulfate provides a mineral-rich, natural way to relax and soothe the body.
 Epsom salts have long been associated with promoting good skin health and relaxing tired and aching muscles, but are just as versatile when combined with your favourite skincare products to create amazing home spa treatments.
HOME SPA DIRECTIONS
 For concentrated effect:
 Add 2-4 cups (500g-1kg) to warm bath.
 Soak and relax for 20 minutes, then rinse.
For relaxation and general skin hydration:
 Add ½-1 cup (100g-250g) to your bath.
 Create your own spa treatments at home using our salts: exfoliating facial mask • lip polish • body exfoliator
