APPLICATION

Gently pat onto eye area using your ring finger.
Use morning & evening. Keep out of eyes.

Tapotez doucement sur le contour des yeux en
utilisant votre annulaire. Utilisez matin et soir
comme dernière étape de votre rituel. Evitez le
contact avec les yeux.

Ultra-lightweight serum with a fluid, fast-absorb-
ing texture visibly smooths eyelid creases,
crepiness & uneven texture, as it noticeably
lifts the look of sagging lids & diminishes the
appearance of under-eye circles & darkness. It
quickly works to replenish skin's natural moisture
barrier, creating a more even-textured surface for
smoother, longer-lasting eye makeup application.

Un sérum ultraléger à la texture fluide et rapid-
ement absorbée qui lisse les rides profondes de
la paupière, la peau flétrie et les inégalités de
texture. Il rehausse notablement les paupières
qui s'affaissent et diminue l'apparence des cernes
et des ombres. Il fonctionne rapidement pour
restaurer la barrière d'hydratation naturelle de
la peau, créant ainsi une surface à la texture
plus uniforme pour un maquillage plus lisse et
longue-tenue.

INGRÉDIENTS CLÉS

**Acyl-Glutathion: Le Principal
Antioxydant** Composé de 3
acides aminés, le glutathion est
le principal antioxydant trouvé
dans le corps et aide à réduire
l'apparence des rides et des plis
les plus profonds en protégeant
et en réapprovisionnant la peau
fragile. Les niveaux naturels de
ce élément essentiel s'appauv-
rissent au fil des ans, mais une
application topique peut aider
la peau à paraître plus lisse et
plus jeune.

**Mélange de Vitamine F:
Protection Ultime Contre
L'Humidité** Les huiles de
graines de lin, de chia et de
macadamia restaurent la sou-
plesse de la peau et la rende
resplendissante de santé en
hydratant intensément et en
améliorant la barrière d'hy-
dratation cutanée. Essentielle
mais pas naturellement pré-
sente dans le corps.
