DEFINED BY NATURE, LED BY SCIENCE

A delicate bath and shower milk that calms and soothes the senses with a sophisticated floral aromatic. Skin is left feeling cleansed and hydrated.

DIRECTIONS: *Massage onto wet skin and rinse off. For bathing, pour under running water. If contact with eyes occurs, rinse thoroughly.*

Un lait délicat pour le bain et la douche qui calme et apaise les sens grâce à un parfum floral sophistiqué. La peau est nettoyée et hydratée.

MODE D'EMPLOI: *Masser sur la peau mouillée et rincer. Pour le bain, verser sous l'eau du bain pendant qu'il coule. En cas de contact avec les yeux, rincer abondamment.*

Un delicato latte per il bagno e la doccia pensato per calmare e lenire i sensi con un sofisticato aroma floreale. La pelle risulta pulita e idratata.

MODO D'USO: *Massaggiare sulla pelle umida e risciacquare. Per il bagno versare sotto l'acqua corrente. In caso di contatto con gli occhi, risciacquare abbondantemente.*
