Rio the beauty specialists

ENGLISH WARNINGS

- Please read all instructions thoroughly and retain for future reference.
- This appliance can be used by children aged 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning the use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and maintenance shall not be made by children without supervision.
- Keep out of reach from children and pets.
- Do NOT use this appliance if it is not working properly, or if it has been dropped or damaged.
- The appliance may be cleaned by wiping with a damp cloth. Do NOT use solvents or abrasive cleaners.
- Do NOT use this appliance if it is not working properly. If the power lead is damaged, it must be replaced by the manufacturer or its service agent or similarly qualified person in order to avoid a hazard.
- Ensure the appliance is turned off and disconnected from the power source when filling with water or cleaning.
- If the appliance is leaking discontinue use. Contact Customer Care to arrange a replacement.
- The appliance should be supplied through a residual current device (RCD) having a rated residual operating current not exceeding 30mA.
- This appliance should NOT be used in the bathroom or shower.
- If you suffer from a skin condition, consult your dermatologist before use.
- For hygiene reasons we recommend for single person use only.
- Do not immerse it in water. Do NOT use solvents or abrasive cleaners.
- Keep away from any appliances which are sensitive to water to avoid accidents.
- If you feel discomfort or any pain or irritation during use, stop using it. Do not use if you have inflamed feet or any open wounds on your feet or toes. Consult your GP first.
- Do not stand up or place any objects inside the appliance. Only use it when you are sitting.
- Do not attempt to plug or unplug the appliance whilst feet are in the water.
- The appliance has a heated surface. Persons insensitive to heat MUST be careful when using the appliance.

KNOW YOUR UNIT

|-----------------------|-------------------------|
| 1 Anti-Splash Cover | 6 Handle |
| 2 Water Heater | 7 Red Light |
| 3 Hydrotherapy Jets | 8 Aromatherapy Diffuser |
| 4 Reflexology Rollers | 9 On/Off Switch |
| 5 Foldable Base | |

ASSEMBLY

To unfold the Foot Spa, place one hand into the unit and use the other to pull up each side.

GETTING STARTED

Important: Fill with water before plugging into the power supply. Always unplug before emptying the water.

- Fill the reservoir with warm water using a jug. Ensure the water level is below the maximum water mark indicated on the inner wall.

- Place on a flat surface.
- Plug into the mains power supply.
- Sit down and place your feet in the Foot Spa.
- Press On/Off Switch (9) to turn on.

Note: When switched On, the Hydrotherapy Jets, Red Light and Vibration will automatically activate & the water will heat to a temperature of 42°C/107.6°F.

TREATMENTS

Reflexology Foot Massage - Manual Rollers

Target specific reflex points in your feet - this can help increase energy levels and reduce fatigue.

Aromatherapy Diffuser

Before filling with water, remove the Aromatherapy Diffuser and twist off the top. Pour a few drops of your chosen oil(s) onto a small piece of sponge and place into the diffuser compartment, or place a crushed herbal bath bomb, fresh crushed herbs or rose petals directly into the diffuser compartment. Put the top back on and replace the diffuser - then fill with water.

AFTER EACH USE

- Turn Off and unplug from the mains.
- Ensure the Foot Spa has completely cooled down. Carefully tilt over a sink or bath and pour the water out from the corner of the Foot Spa.
- Important: Never pour water over the On/Off Switch.

CARE AND MAINTENANCE

- Do not use harsh or abrasive cleaners.
- After use, rinse out water and wipe with a clean damp cloth, then dry.
- Never immerse the entire Foot Spa in water.

STORAGE

- Ensure the Foot Spa is unplugged and cooled down.
- Shake out any excess water.
- Fold flat
- Store in a cool, dry place.

IMPORTANT INFORMATION

There are no user serviceable parts inside the unit.

CONSUMABLES

For a truly indulgent experience try using with aromatherapy essential oils.
