PURE REPAIRING HAND CREAM
This gorgeous award-winning hand cream features an intensive nourishing formulation, creating a water reservoir with its unique moisture delivery system. This rich yet non-greasy cream contains Portulaca[®], Argemone[®], Citrus[®] and Citrus[®] essential oils, and up to 72 hours. It has the heavenly scent of rose and lemon and is packed with botanical goodness.

DIRECTIONS
Apply a small amount of cream over the back of your hands and gently massage into the skin. Use as often as required to reap the benefits of this deeply hydrating formula.
