Warnings 1) For external use only. 2) When using this product, avoid contact with the eyes. 3) Keep out of reach of children. 4) If discomfort or sensitivity to product occurs, please discontinue use and consult a physician. 5) Do not stay too long in the sun, even while using a sunscreen product. 6) Re-apply frequently to maintain protection, especially after perspiring, swimming or toweling. 7) Reducing this quantity will lower the level of protection significantly. 8) Excessive sun exposure is a serious health risk. 9) Avoid or ensure protection from UV exposure when using products containing AHAs, as they may increase susceptibility to UV damage.

SHAKE WELL BEFORE USE

Directions Apply a generous amount of sunscreen product on the face at the end of your facial skincare routine, at least 30 minutes before sun exposure. Reapply frequently to maintain protection, especially after perspiring or swimming.
