A deeply comforting, targeted body spray with a highly effective infusion of Arnica, Wintergreen and Magnesium to relieve areas of tension and fatigue on the body. Camphor instantly cools and refreshes the skin, then a slight warming sensation builds to produce the ultimate soothing relief.

Directions: Spray liberally to the body on localised, targeted areas such as the back, shoulders or knees. Can be repeatedly used throughout the day. Avoid delicate, intimate areas and broken skin. Not to be used on the face.
