A True Beauty Ritual

Getting the most from your
R.N.A Radical Anti-Ageing & Lifting Duo Moisturiser

1. The jaw - Apply the moisturiser, working from the chin towards the earlobes.
 2. The cheeks - Smooth from nose to temples.
 3. The forehead - Massage, making smoothing movements from the centre of the face outwards.
 4. The final touch - Massage, making circular movements from eyebrows to nose.
- # Avant Tips: When applying your moisturiser, try to adopt a dab and tap rhythm. Patting your face softly will stimulate the circulation, wake up the complexion and can work to flush out any toxins that have built up in your lymph nodes.
- Always carry out a 24 hour patch test before the first use. Store in a cool and dry place.
- Sunburn Alert: This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterwards.

The Ingredients:

R.N.A	Aims to soften the appearance of wrinkles, crows feet, and sagging skin, working to leave skin smoother and healthier.	A.R.N.	Visa a attenuar l'apparenza des rides, des pattes d'oie et du relâchement cutané, tout en procurant un aspect plus doux.
Glycolic Acid	Aims to boost skin firmness whilst contributing to smooth your skin, treating imperfections, dullness and oiliness for a more youthful appearance.	Arginine	Visa a renforcer la fermeté de la peau tout en contribuant à lisser votre peau, en traitant les imperfections, l'aspect terne et gras pour une apparence plus jeune.
