Cleanse · Clarify · Nurture

This powerful body wash blends White Willow and Salicylic Acid to help break down dead skin cell build-up and congestion in the pores, to reveal clear skin with improved texture. Propolis, a precious, antioxidant-rich extract from the beehive, blends with Tiger Grass and Feverfew, to nourish and soothe the skin. The enticing aroma seduces the senses and leaves skin delicately scented.

Directions: Apply to wet skin in the shower, work into a lather and rinse. Alternatively, pour generously into running bath water and soak. If contact with eyes occurs, rinse thoroughly.
