A highly active day cream to hydrate the skin and radically reduce the signs of ageing. This unique formula, with innovative lamellar technology protects the skin against environmental aggressors, dramatically reducing the appearance of fine lines, wrinkles and pigmentation. Dermatologically tested.

**Application:** Gently massage onto cleansed facial skin in the morning.

**Caution:** Not for internal use. Use only as directed and avoid contact with eyes. Keep out of reach of children.

**Lamellar technology**  
The revolutionary lamellar structure of SkinSense keeps the powerful, anti-ageing actives working for you for longer. Now you can have beautiful skin, all day, everyday.
