

skin wash professional

Australian Bodycare create high quality skin and hair care products using natural active ingredients. This professional Beauty Salon range provides all the natural benefits of Tea Tree Oil (Melaleuca alternifolia). The products help to soothe and condition the skin hygienically whilst restoring natural pH balance. Pure and mild for everyday use, even with sensitive skin.

An all over deep cleansing and refreshing skin wash. Ideal as a daily hygienic wash to protect against spot and odor causing bacteria. Leaves skin feeling fresh and clean. Skin friendly pH for all skin types. Apply with water and lather. Rinse thoroughly.
