(in the following "Vendor")

The Vendor confirms for all the products delivered to QVC Italia Srl that:

REACH regulation EC No. 1907/2006

- The SVHC substances that are subject to authorization from Annex XIV are absent and not intentionally added
- The restrictions and limit values for the manufacture, placing on the market and use of certain dangerous substances, mixtures and products from Annex XVII in final product or packaging are complied with
- The content in percentage by weight (w/w) of SVHC substances listed in the candidate list (as applicable at the time the goods are placed on the EU market)
 - Do not exceed 0.1% w/w in the product or its packaging
 - Exceed 0.1% w/w in the product or its packaging
- All registration / notification / approval obligations, if applicable in accordance with the REACH regulation, are regularly fulfilled

Persistent Organic Pollutants (POPs) regulation EC No. 2019/1021

- Where the Regulation (EU) 2019/1021 on Persistent Organic Pollutants (POPs) and further updates is applicable, all the relevant restrictions and prohibitions on substances are respected

Please note that the currently valid laws and regulations always apply.

With my signature I confirm the accuracy of the above information.
